

Delta Partners Announces the Appointment of Boris Nemsic as an Executive Partner in its Investment Business

Dubai, UAE, July 05th, 2011

Delta Partners, the leading emerging markets TMT advisory, investment, and corporate finance firm, is pleased to announce that Dr. Boris Nemsic, ex-CEO of Telekom Austria and former CEO of Vimpelcom, has joined its Executive Partners Group (EPG) for its Investments business. The Delta Partners EPG, chaired by Kai-Uwe Ricke, Chairman of Delta Partners and ex-CEO of Deutsche Telekom, is a select group of senior TMT industry executives who work closely with Delta Partners investment business to identify potential investment opportunities and provide oversight and advice to portfolio company management teams.

Geoffrey D. Fink, Managing Partner & Head of Investments at Delta Partners, said "Dr. Nemsic has an outstanding track record of creating value within some of the world's leading telecoms companies, and we are delighted to welcome him as part of the Delta Partners team. His depth of experience and hands-on approach will further strengthen our industry-leading investment capabilities". Dr. Nemsic stated "I am very pleased to be working in partnership with Delta Partners, who have a unique platform in the emerging markets TMT space. I look forward to working closely with the Investments team and with current and future portfolio companies in order to create value for our investors."
